The iGOLD® Program is an elite educational experience comprised of five, week-long immersion modules designed to enhance and deepen the practice of Gestalt in organizations and complex social systems. To deliver the most powerful experience, the program is tailored for an on-going cohort group of 24 to 36 participants from a variety of nations.

Our program is highly intensive and experiential, incorporating exercises, case analyses, webinars, lectures, skill-practice sessions, readings, reflection, on-site and off-site client consulting opportunities, and various dialogue forums.

The iGOLD program is taught by some of the world's most renowned Gestalt practitioners, professors, authors, and consultants.
